PROMOTION COUNTER

PRODUCT SPECIFICATION

Assembly Instructions: PVC Promotion Counter

Step 1

Assemble the Counter Body

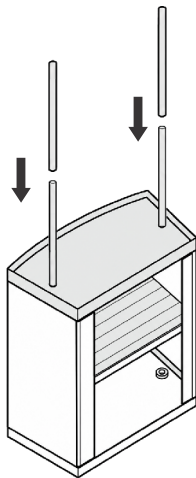

Place the Bottom Tray flat with the grooved channel facing upward. Gently bend the Body Panel into a three-sided shape, then fit its bottom edge securely into the tray's channel.

Step 2

Install the Shelf and Countertop

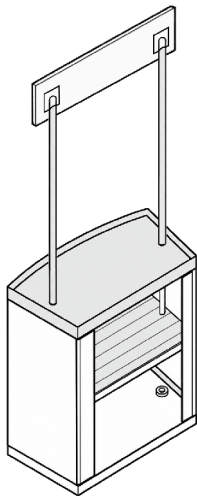

Fit the Middle Shelf into the slots inside the body panel, ensuring it sits level. Align and place the Countertop securely on top.

Step 3

Assemble and Insert the Support Bars

Connect the four pole sections in pairs to form two long support bars. Insert them through the countertop holes and down into the bottom tray sockets until firmly seated.

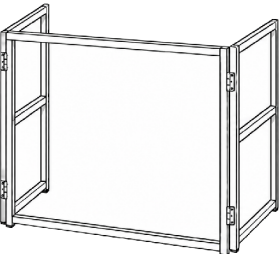

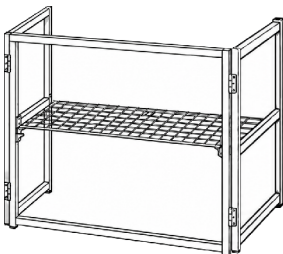

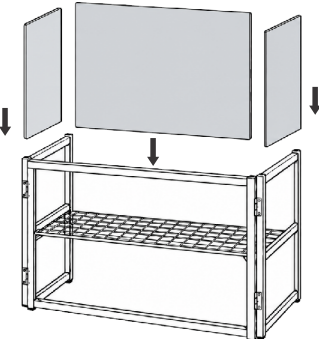

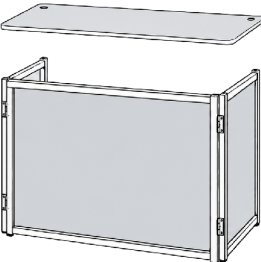

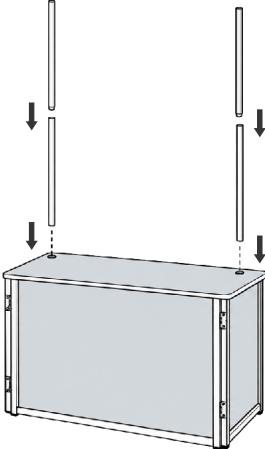

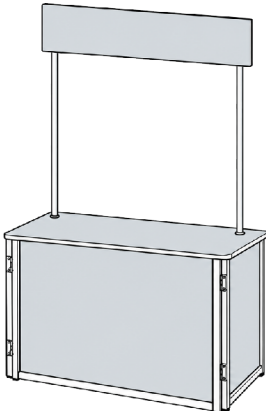

Step 4

Attach the Signboard

Align the fittings on the back of the Signboard with the upper ends of both support bars. Slide the signboard into place and ensure it is secure.

Assembly Instructions: Iron Promotion Counter					
					
Step 1	Step 2	Step 3	Step 4	Step 5	Step 6
Set Up the Counter Frame Open the window-frame grid rack and fold the two side sections inward to form a three-sided shape, leaving the rear open.	Install the Middle Shelf Place the metal wire grid panel onto the internal support brackets in the middle of the frame. Ensure it sits level and securely supported.	Insert the Display Panels Align the front branding board and both side display panels with their designated tracks. Slide each panel downward until fully seated.	Attach the Countertop Align the countertop with the top corner posts of the frame. Press it down securely and ensure it sits level.	Assemble and Insert the Support Bars Connect the pole sections in pairs to form two long support bars. Insert them through the countertop holes and down into the base sockets until firmly seated.	Attach the Signboard Align the fittings on the back of the Signboard with the upper ends of both support bars. Slide the Signboard into place and ensure it is secure.
